### The Bavarian Jewish Edict of 1813

In the introduction Gerhard Rechter, the late director of the State Archive in Nuremberg until 2012, explains the system of registration in the short chapter “The Jewish Edict of 1813” (page 6–7). The complete article can be found at my website at [www.g eepeetee.de/literat/Rechter\\_2003.pdf](http://www.g eepeetee.de/literat/Rechter_2003.pdf).

*Matrikelstelle* or short *Stelle*: a position in the register. It was not inheritable. Only if the local authorities agreed, a Jew could “move into” a vacant *Matrikelstelle*. An application for the permission to take residence in the place was compulsory.
